Profile National Institute of Technology Delhi (NITD)

National Institute of Technology Delhi (NITD) is one of the thirty NIT (s) established in the year 2010 by an act of parliament and has been declared as an Institute of National importance.

NIT Delhi is an autonomous Institute which functions under the aegis of Ministry of Human

Resource Development, Government of India. It aims to provide instructions and research facilities in various disciplines of Engineering, Science and Technology, Management, Social Sciences and Humanities for advance learning and dissemination of knowledge.

The mission of NIT Delhi is to produce human resource those who are creative, competitive and innovative with high intellect and ethical values. The Institute is imparting holistic education, along with inculcating high moral values in its students.

NIT Delhi has started its academic session in 2010 with three undergraduate B.Tech degree programmes in Computer Science and Engineering, Electronics and Communication Engineering and Electrical and Electronics Engineering. The academic activities of NIT Delhi were initiated at NIT Warangal in year 2010 which later moved to a temporary campus at Dwarka, New Delhi in June 2012 and then at NILERD Campus, Narela, since February 2014.

Presently, from February 2022, NIT Delhi is running all its academic and administrative activities from the permanent campus (Phase 1-A developed by NBCC) on NH-1, Plot No. FA7, Zone P1, GT Karnal Road, Narela sub city, Delhi. The process of developing the Phase 1B at permanent campus has begun by the executing agency M/s Telecommunications Consultants India Limited (TCIL).

Academic Programmes underway at NIT Delhi

Admission of students into undergraduate programme in Computer Science and Engineering, Electronics and Communication Engineering, and Electrical & Electronics Engineering started from the academic session 2010-11 with first batch of 30 students in each discipline. The academic activities of NIT Delhi were initiated at NIT Warangal in the year 2010 which later moved to a temporary campus at Dwarka, New Delhi in June 2012 and presently running at NILERD Transit Campus, Narela since February 2014 with limited space of about 17 acres.

From the academic year 2013-14 the students intake in each B.Tech programme has increased to 60, which is increasing in every academic year. M.Tech programme in the discipline of Electronics and Communication Engineering with student intake of 15 students was started from the academic year 2013-14 and in Computer Science and Engineering (Analytics) with an intake of 15 students in the academic year 2014-15. The M.Tech programmes were also

started in Mechanical Engineering (CAD/CAM) from August, 2016 and in Electronics and Communication Engineering (VLSI Design) and in Electrical Engineering (Power Electronics and Drives) from August 2017. Admissions to all the UG programmes are through an all India level competitive exam (JEE-Main) followed by centralized counselling process of JoSAA and for all PG programmes on the basis of valid GATE score followed by centralized counselling process of CCMT.

In order to give boost to research activities, Ph.D. programmes were also started from January 2014, in Computer Science and Engineering, Electronics and Communication Engineering, Mechanical Engineering, Chemistry, Physics, Mathematics and Management.
