2. The Institute intends to host these contents on their web portal and allow their students to download the contents on their smart phone or Tablet for offline learning as well as to browse it on the web portal.
3. The Institute shall allow access to these contents for the first year students of the Engineering stream starting from academic year 2015-19. This will be free of cost to the Institute students.
4. As of now, the M-Tutor is readily available for first year syllabus. Once applications are developed for the higher years, they will be supplied within this MOU.
5. The objective of M-Tutor is to benefit the students. By end of first year, the company and Institute will be able to measure the performance of the students who have used this courseware.

OBLIGATIONS OF THE COMPANY

1. The company shall provide the Institute digital courseware in English and Hindi for the first year curriculum.
2. M-Tutor will be integrated to the Institute portal, so that the eligible students will log in and have online access to these contents as well as download the contents to their smart phone or tablet for offline access.
3. This will be offered free of cost for all the academic years (I-IV) of the B. Tech programs of NIT Delhi, within the validity period of the MOU.
4. The company will engage with the students and teachers of the Institute, to create awareness about this courseware and measure the learning outcomes.
